1) I have been contemplating to go on a tour ex-India for a long time. For one reason or another this could not be done till now. If Government are pleased to permit, I propose undertaking this trip for a period of about 5½ months from the 15th of May 1937 to the 6th November 1937.

2) With the recent settlement of Tungabhadra and Royalty questions there are not likely to be any pressing problems in the department.

4) Resubmitted.

D.O. letter dated 21st December 1936, from the Comptroller of Mysore, re my entitlement to the leave is herewith put up.

Subject noted.

5) I was appointed in the Mysore Public Works Department in May 1934 against a permanent post for

WP 01642—GPB—10,000—9-5-36

for a period of three years in the first instance without reference to any age limit. I will complete three years of service on 15th May 1937. According to Articles 158, 159 and 204 of Mysore Service - - - Regulations, an officer under the permanent service of Government will earn privilege leave at 1/11th of his service and furlough also for a similar period. On this basis and in accordance with the provisions of the above articles, I will be entitled to privilege leave for 4 months combined with furlough and full - average salary for 1 month and 19 days.

4.) The leave earned by me by virtue of my - - - service in the Mysore Government has in fairness to be granted to me.

5.) The Article 147 of Mysore Service Regulations quoted by the Comptroller is applicable to officers who have continued to serve under Government from -- the commencement of their service, till the date of - retirement on superannuation. In such cases the -- officer would have had the full benefit of enjoying the leave earned by him from time to time, while in - service. and he would not be a loser if the super- annuation limit and the consequential forfeiture of leave are made applicable to him. My case is - - - different and this article cannot possibly apply.

I would therefore request that I may be kindly granted combined leave for 6 months, as per details noted in the margin under Articles 158, 159 and 204 of the Mysore Service Regulations so as to enable me to complete the proposed ex-India tour.

1. Privilege leave for 4 months (vide Article 158 M.S.R. old rules prior to 1-5-1934).
2. Furlough on full average salary 1 month & 19 days.
3. Furlough on full average salary (~~Not due~~) for 11 days.

7.) Government have been pleased to extend my services for a period of 2 years from 15th May 1937 From the date of return from leave, i.e., roughly from 15-11-1937 to 15-5-1939, I will earn 26 days of furlough on full pay.

8) I shall be grateful if the Government are pleased to grant me a portion of this period, viz., 11 days furlough on full average salary, in anticipation of my earning the same.

(12) According to Article 147 H.S.R., leave earned before attaining the age of superannuation generally lapses, unless it was asked for before and refused. The Comptroller's view that he is entitled to only 22 days' privilege leave is therefore correct. If any special consideration is called for, the leave earned before attaining the age of 55, which is strictly not admissible, may also be sanctioned as a special case. (the privilege leave being limited to a maximum of [illegible]) This is the utmost concession which can, I think, be granted. The grant of privilege leave in excess of 3 months and furlough 'not due' is not admissible and will, if sanctioned, create a very inconvenient precedent, and is not financially acceptable Extra period will have to be Leave Without allowances.

In the above note, one month and eight days furlough is based on the basis of superannuation. As it is since decided that the basis of superannuation does not apply, the period will be one month and nineteen days being 1/11th of the service up to 16-5-1937. The figure would be 4 months and 19 days instead of 4 months and 8 days.

On 16-2-1937, I would be entitled to the privilege leave of 3 months and furlough. I could have requested for this leave from that date. As the Dewan was pleased to ask that I may take leave from May, in view of the Ramanathpur bridge,

starting of the Marconahalli reservoir/project works and the negotiation in connection with the Tungabhadra and Royalty questions and I agreed accordingly, it would be a hardship to me to deny the privilege leave earned by me during this period; as at the time of my agreement the period of privilege leave was 4 months.

In view of these, if Government would be pleased to add this period it would be helpful to me to some extent.

22) The points again raised for consideration are:-

(1) Allowing furlough for service after the age of 55, in addition to privilege leave;

2) Grant of privilege leave at one time in excess of three months.

23) Under the M.S.R., leave earned before the age of 55 lapses on attaining that age and what was agreed to was that this limitation may be specially waived in the present case.

24) Earning of furlough in addition to privilege leave, after 55 years was not agreed upon. This is not allowed in the case of officers belonging to Mysore service under M.S.R., nor. even for officers taken on contract after the age of 55.

WD 01642—GPB—10,000—9-5-36

Serial No.

E.g., Mr. Mallick, Lt. Col. Lucus, Mr. Hamilton and Mr. Reilly are allowed only privilege leave at 1/11th of the service, under M.S.R. and no furlough.

3) This request to be given a concession ~~xxxxxxxxxx~~ not given to officers under the M.S.R. or to officers under contract is therefore not admissible.

4) Regarding the second request, it has already been brought to notice in my previous note that the officer's claim for leave and leave allowances is regulated by the rules in force at the time the leave was applied for and granted (vide Article 2 M.S.R.) and privilege leave in excess of three months at a time is not admissible according to the rules now in force. Leave cannot also be claimed as a matter of right and Government have full power to refuse to grant the leave applied for or reduce the period of leave (vide Article 122 M.S.R.). The argument that the excess over 3 months should be granted because he has been ~~xxx~~ asked to take leave in May is untenable and not acceptable

5) In these circumstances, the arguments advanced are not admissible and the decision already arrived at (paras 15 and 16 of the Notes) does not need to be revis

*Submitted to His Highness.*

Diwan Bahadur Mr. N.N. Ayyangar, Chief Engineer and Secretary to Government, Public Works and Electrical Departments, has applied for the grant of leave for six months and six days from 2nd May 1937 to go on a tour outside India.

He was appointed in the Mysore Public Works Department in May 1934 and according to the terms of his appointment, his leave is regulated by the Mysore Service Regulations. Particulars regarding the leave that would have been earned by him up to 2nd May 1937 are noted below:-

| | Privilege leave. | | Furlough on half pay. | |
|---|---|---|---|---|
| | Months. | Days. | Months. | Days. |
| (i) From 16th May 1934 to 12th September 1936 (the date of attaining the age of superannuation.) .. | 2 | 16 | 2 | 16. |
| (ii) From 12th September 1936 to 2nd May 1937. .. | 0 | 21 | .. | .. |
| | 3 | 7 | 2 | 16 |
| | | | Or | |
| | | | 1 | 8 |
| | | | on full pay. | |

Under Article 147 of the Mysore Service Regulations, ordinarily all leave earned before the age of superannuation lapses on the date of attaining that age. In view of the fact that Mr. N.N. Ayyangar is an officer entertained for a specific term and that his foreign tour will increase his usefulness to the State, some special consideration is, I think, called for in the case. The Financial Secretary is of opinion that, in the circumstances, the officer may be allowed to have the benefit of the leave earned by him before the date of superannuation subject to the prescribed maximum limit of three months in respect of privilege leave. It is accordingly proposed to give him three months' privilege leave and furlough on full average salary for one month and eight days, along with leave without allowances for any further period that may be needed by him.

During his absence on leave, the following arrangements are proposed to be made:-

(i) Mr. R.W. Scaldwell, Superintending Engineer, Mysore Circle, to act as Chief Engineer and Secretary to Government, Public Works and Electrical Departments.

(ii)

Submitted to H. H. (contd.)

(ii) Mr. N. Subba Rao, B.A., C.E., Executive Engineer, Bangalore Division, to act as Superintending Engineer, Mysore Circle, vice No.1.

The above proposals are agreed to by the Members of Council also and may be graciously approved.

PUBLIC WORKS DEPARTMENT,

Dated Bangalore, 9th March 1937.

Dear Mr.Kesaviengar,

I have received your kind D.O.letter No.2118/C.B. dated 26th February 1937. I am sorry the decision has been a disappointment to me.

2. The views expressed by the Financial Secretary apply to whole-life officers who take the thick and thin, in the course of 25 or 30 years of their official life. It works as a great hardship to apply them so rigidly to a case like mine, where the question of age 55 does not enter at all. It is also hardly correct to quote, in my connection, cases mentioned by the Financial Secretary, as they are compensated by initial pays higher than those of the local incumbents. It may also not be out of place in this connection to state that under note to article 2 of the Mysore Service Regulations, that unless a specific restriction has been taken

P.T.O.,

in writing the conditions prevailing at the time of the contract should prevail.

3. My leave may be for 6 months and 6 days from the 2nd May 1937 with permission to prefix -- Sunday the 1st May 1937. I propose handing over on the afternoon of the 30th April 1937 and leave the same day.

Regarding the posting of Mr.N.Subba Rao, I think, as Mr.N.G.Krishniengar has only recently gone to Shimoga Circle and is just becoming familiar with its details, it would not be desirable to disturb him from that Circle. Mr. Subba Rao may, I think, be posted to the Mysore Circle.
